Walk Through Acknowledgement

Date

I, _____, acknowledge I received a walkthrough of the Bingo/Fire/Social Hall by an Employee of Dale Borough Municipality. The hall and bathrooms were cleaned. I was informed about what could be used and where it was located. The table and chairs were clean and free of damage except for everyday minor use. I understand no food from the event should be left in the refrigerator. Trash has to be placed in the trash bags provided and set inside by the doors. Also, if everything is not cleaned and/or put back in its proper location, I will have forfeited my \$25 cleaning deposit.
